

How to List Your References

Websites:

Example: *NASA Asteroids Overview, Solar System Exploration*,
<http://solarsystem.nasa.gov/planets/profile.cfm?Object=Asteroids>

Main title of the website must be italicized followed by a comma and then the full website address.

Books:

Example: Burns, R.G., *Mineralogical Applications to Crystal Field Theory*,
Cambridge University Press, New York, 1970.

Authors name (Last name, First initial. Middle Initial.) comma(,). Italicized title of book followed by a comma (,). The publisher of the book, where it was published and the year of publication and end with a period (.).

Your reference list must be alphabetical and begin with the title "References" underlined. There must also be a line of spacing between each reference.
